On Wednesday July 4th Stephanie will join us to provide an opportunity for people living with diabetes to get together in an informal, fun and supportive environment to share experiences and information. Family members are welcome to attend.

Congratulations to Carol Lowery who has been elected Vice President of the Board of Directors for Au Chateau, the organization which administers the Temagami Senior Home Support.

How safe is your camp / cottage from Wildfires this season?

Fire embers may seem small but are not to be underestimated— 50 % of the homes that burn from wildfires are started by sparks and embers. Doing a few FireSmart actions within 10 metres of your home will have the biggest impact to reducing the threat of wildfire. Regular maintenance and cleaning in the corners and crevices of your home and yard where needles and debris build up will leave nothing for embers to ignite. Remember to remove any windblown leaves under the deck as well as any flammable debris from balconies and patios. Maintain a 1.5 metre non-combustible zone around your home and any attachments, such as decks.

For more information, visit WWW.FIRESMARTCANADA.CA, download the *Firesmart Homeowners Assessment* found under *Manuals* in the *Resources Library*.
