PICKLEBALL: November 7, 2018 – Every Wednesday

For children aged 6 – 12 years old in the community, pickleball will commence at the Community Centre above the arena on November 7 and will continue every Wednesday - 6:30 until 8:00 pm until January 23. Pickle ball is similar to tennis. A pickleball moves much slower making the game fun and accessible for children 6 to 12 years of age. We hope to have an intermediate and beginner level court area for the children. With instructors to help with structured rule familiarization, guided play, safety and officiating, children can learn confidence, racquet ball concepts, and increase their motor skill competencies.

GUIDED WALKS THROUGH CARIBOU TRAIL – Snowshoes and Trekking poles will be available along with an informative guide to lead people, every Saturday morning along the Caribou Trail for 2 hours starting at 10:30 am. Accessible parking and pick-up of the equipment begins outside the Family Health Team building on these Saturday mornings.
