

2023 Calendar – Request for Art Work and Photographs

We will be producing a 2023 calendar with the theme...

I ♥ Temagami Forest

We invite anyone with a connection to the Temagami Forest to submit artwork or photographs. We will select one to be used with each month.

Artwork: this is a great opportunity for children of all ages to have their artistic talents showcased, as well as the not-so-young who love to sketch and draw.

Photographs: photos can be of any location within the Temagami Forest. If they include identifiable individuals, a photo release will be required from each individual.

Please submit by email to: mark.stevens@tmcforestry.ca

Deadline for Submissions: November 29, 2022.

A mix of photos and artwork will be selected, one per month and for the cover. Submitters of selected pieces will be asked to provide agreement that their work can be published in our calendar, will be given photo/art credit on their work, and will receive a free calendar.

Any questions can be directed to: Mark Stevens
